

? How to Cancel a Transaction

Last Modified on 04/07/2025 2:37 pm BST

You can cancel a transaction **at any point before** completing a **card payment** or recording the **cash amount**.

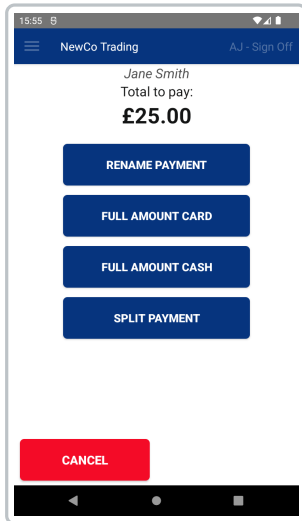

? To Cancel a Transaction:

1. Tap the **BACK** button in the bottom-left corner (if visible)

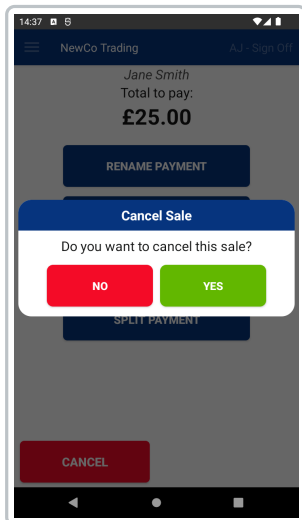

or...

2. Tap the **CANCEL** button in the bottom-left corner

3. On the confirmation popup, tap **YES**

? What Happens Next:

- The transaction will be **cancelled**
- It will still appear in:
 - The **Transaction History**
 - Any **relevant reports**
