## Welcome to the Register Pay User Guide!

Welcome to your central hub for clear, step-by-step instructions on configuring and using your system. Whether you're a new user just getting started or an experienced operator looking to fine-tune settings, this guide is designed to provide quick, actionable answers to your most common questions.

Start exploring the topics below to get the most out of your system. You can search by keyword, browse by category, or jump to a specific section from the sidebar.
