

Web Portal - Pay Sales Summary Report

Last Modified on 04/07/2025 4:33 pm BST

Combined sales total for the whole business (for customers with multiple devices):

Report Field	Description
Transaction Count	Total transactions
Refunds	Number of refunds
Refund Total	Total refund value
Gross Sales	Sales before deductions
Net Sales	Sales after deductions
Cash Transactions	Number of cash sales
Net Cash	Value of cash sales
Card Transactions	Number of card sales
Net Card	Value of card sales
Split Tender Transactions	Number of split payment sales
Avg Spend per Customer	Average value per customer
Tips	Total tips
Cash Tips	Tips received in cash
Card Tips	Tips received via card

The screenshot shows the 'register' web portal interface. At the top, there is a navigation bar with links for Dashboard, Config, Reports, Stock, CRM, Devices, Admin, Help, and Logout. The main content area is titled 'Pay Sales Summary Report' and shows a summary of all sales for the month of July 2025, specifically for British Summer Time (BST). The report includes filters for All Stores, All Devices, All Departments, All Suppliers, and All Products. The data table below shows the following sales metrics:

Description	Total
Transaction Count	20
Refunds	4
Refund Total	-45.00
Gross Sales	1894.65
Net Sales	1849.65
Cash Transactions	8
Net Cash	636.69
Card Transactions	9

At the bottom of the report section, it says 'Showing 1 to 14 of 14 entries'. Below the report, there is a section titled 'Report Charts' with a link to 'Pay Sales Summary Report' and an 'Export Chart Data' button.
